MOTION TO UNSEAL

The United States of America by and through its attorneys, Rod J. Rosenstein, United States Attorney for the District of Maryland, and Stacy Dawson Belf, Assistant United States Attorney for said District, hereby moves this Court to unseal the affidavits of Todd Bame and Kai Pickens filed in support of the above-captioned search and seizure warrants. As set forth in the Government's Motions to Seal in these cases, sealing of the affidavits was necessary in that it concerned and was part of a continuing investigation and its release at that time endangered informants as well as the course and outcome of the investigation. Since the Motions to Seal were granted, however, law enforcement officers have completed certain portions of the

investigation previously in danger of spoliation and otherwise assured the safety of confidential
informants identified in the affidavit.

WHEREFORE, the Government requests that this Honorable Court:

ORDER that the affidavits of Todd Bame and Kai Pickens filed in support of the
above-caption search and seizure warrants be unsealed.

Respectfully submitted,

Rod J. Rosenstein
United States Attorney
